AGE

Tennessee law requires that all children must be 5 years of age before August 15 of the current school year before they can enroll in kindergarten.

IMMUNIZATIONS

State law and BCS Policy requires all students entering kindergarten to have a valid Tennessee Department of Health Certificate of Immunization to enroll in or attend school. Students without required immunization documentation (or exemption documentation) will not be able to start school.

PHYSICAL EXAMINATIONS

BCS Policy states students entering school for the first time must have a complete physical examination. The physical exam must be within one calendar year of school starting.

COUNTY-WIDE STAGGERED START

The first few days of the school year are used as a phase-in period for kindergarten students. During this time, students are screened on an individual basis and attend school in small groups to become familiar with school routines. This period will be from August 1 - August 10, 2023. The first full day of school for all kindergarteners will be Friday, August 11, 2023.
